**GOOD SPIRITS.**

Good spirits don't all come from  
Kentucky. Their main source is  
the liver—and all the fine spirits  
ever made in the Blue Grass State  
could not remedy a bad liver or the  
hundred-and-one ill effects it pro-  
duces. You can't have good spirits  
and a bad liver at the same time.  
Your liver must be in fine condi-  
tion if you would feel buoyant,  
happy and hopeful, bright of eye,  
light of step, vigorous and success-  
ful in your pursuits. You can put  
your liver in fine condition by using  
Green's August Flower—the great-  
est of all medicines for the liver  
and stomach and a certain cure for  
dyspepsia or indigestion. It has  
been a favorite household remedy  
for over thirty-five years. August  
Flower will make your liver healthy  
and active and thus insure you a  
liberal supply of "good spirits."  
Trial size, 25c; regular bottles, 75c.  
At all druggists.
